ERP Support

Day-to-day support, small enhancements and update management for Dynamics 365 F&O on a predictable monthly plan.

Data, AI & Analytics

Turn ERP and business data into dashboards, forecasts and AI-assisted workflows.

Talent & Staffing

Screened Dynamics 365 and IT professionals on contract, contract-to-hire or permanent terms, in India and overseas.

Software Development

Custom web, mobile and cloud applications that are designed, built, tested and maintained by one team.

IT Consulting

Independent advice on ERP selection, technology roadmaps and transformation programmes.

Training

Hands-on Dynamics 365, Power Platform and IT training for teams, graduates and working professionals.

WAYS TO WORK TOGETHER

Time & material

Pay for hours worked, with detailed monthly timesheets. Best when scope will evolve.

Fixed scope

An agreed price for clearly defined deliverables. Best for well-understood projects.

Dedicated consultant

A named consultant or team working only for you, billed monthly.

Support retainer

A monthly block of support and enhancement hours with agreed response times.
